

Living, Leading & Loving CHANGE: Hack it for transformation! (*Joanne Leskow*)

Joanne is a curious student and passionate teacher of change, leadership and strategy. Leveraging enterprise and entrepreneurial success with cutting-edge research, she informs and inspires audiences across North America. Joanne practices what she preaches by embracing change - currently enrolled in an MBA. Talk. About. Change!

Joanne will share how and why transformation of every kind requires change! Join her to explore research-based change wisdom and learn fresh approaches to create and embrace changes in all areas of your life.
